

Amarillo Endoscopy's First Annual Mary Elizabeth Archer Colon Cancer Awareness Challenge Run

Amit Trehan MD/ Srinivas Pathapati MD
Gastroenterology and Hepatology

To help increase awareness about colon cancer, it's prevention, detection and treatment, amongst our local Panhandle community.

Come join us for some great fun. All participants will receive a T-shirt, a medal and a participation bag. There will be fun along the running path with food and beer at the finish line. We will honor our Colon Cancer survivors and have drawings for free colonoscopies.
